Fresno County Chapter  
President Ruben Diaz

Mr. Diaz and Board Members,

On behalf of the Parlier Unified School District, I would like to send a sincere thank you to the organization for your donation to our family who was displaced by a tragic house fire last week. Your donations of clothing, home goods and the gift cards were received by the family. The family was extremely grateful and in fact was in tears from the gesture. The girls were extremely excited for their school supplies for next year. The family is looking forward to using their gift cards to get back on their feet.

In attendance presenting the items along with myself were Superintendent Jaime Robles, Director of Human Resources Scott Griffin, and Curriculum & Instruction staff member Mayra Garcia. Along with our district office staff, the principals of Martinez Elementary School and Parlier High School wish to also express their sincere gratitude to the NLPOA for their continued support of the families and students of Parlier.

Thank you again!!

Ruben Diaz  
Assistant Superintendent
